

City of Florida City Building & Zoning Permit Fee Schedule

For all permits, **Field Check** is \$10.00 and **Completion** is \$10.00. B.O. Review Fee is \$25.00 for Residential and \$50.00 for Commercial. These figures are used to calculate the base fee together with the **BCCO** Fee for permits.

Miami-Dade Building Code Compliance Fee (BCCO Fee) is assessed at a rate of \$.60 per \$1000.00 or any portion thereof of the Job Cost. Exception to this is new construction when a calculation of Job Cost / 1000 x \$.60 is used.

Permit Fine is assessed to permits in violation in accordance with the Florida Building Code.

Building Permit

Residential - New Construction (Exhibit 1)

Example

Principle Building = Square Feet x 65 / 1000 x 6.5

1000 Sq. Ft x 65 = \$65,000 / 1000 = 65 x
6.5 = \$420.50

Commercial - New Construction (Exhibit 2)

Principle Building = Square Feet x 65 / 1000 x 8.5

1000 Sq. Ft x 65 = \$65,000 / 1000 = 65 x
8.5 = \$552.50

Processing Fee A flat rate of \$25.00 is added to all new construction for the processing of the permit, plans, site plans, Exhibit "D", etc ...

Radon Surcharge is added to new construction at a rate of \$.01 per square foot. (State Requirement)

The following only apply to existing buildings which may be adding these items

Concrete Slabs \$45.00 per \$1000 of Job Cost (If under \$1000 then Base Fee only applied)

Driveways \$45.00 per \$1000 of Job Cost (If under \$ 1000 then Base Fee only applied)
